Objective Looking for a position as a substitute teacher where I can use my skills and experience, as a substitute teacher to promote and create a positive learning environment for the children and help them learn and grow

Highlights

- Skilled, enthusiastic educator with broad experience in teaching and training those of all ages in either corporate or public settings. Enjoy working with groups and individuals to make a difference in their lives. Resourceful, patient and optimistic.
- Training expertise includes curriculum development, lesson planning, testing and evaluation, group instruction, motivation, tutoring, and workshops.
- Over two years of Human Resources experience that included safety training and incentive programs, substance abuse education, benefits counseling, and safety tracking systems. Additional experience in Office Administration.
- Outstanding listening and writing communication skills. Create stimulating, friendly learning environments that encompass structure, mutual respect and cooperation.
