Objective: Interested in finding a job as a Dental Manager, in a reputed Hospital/Dental Clinic where I would be able to enhance my knowledge and skills and implement what I have learned.

Experience: Riverside Dental Health Center New York
Dental Manager 3/3/2009 to Present

- Researched, compiled, and prepared reports, manuals, correspondence, and other information required by management and governmental agencies.
- Provided employees with guidance in handling difficult and complex problems, and in resolving escalated complaints and disputes.
- Participated in the work of subordinates in order to facilitate productivity and to overcome difficult aspects of work.
- Planned layouts of stockrooms, warehouses, and other storage areas, considering turnover, size, weight, and related factors pertaining to items stored.
- Designed, implemented, and evaluated staff training and development programs, customer service initiatives, and performance measurement criteria.
- Computed figures such as balances, totals, and commissions.
- Analyzed financial activities of establishments and departments, and provided input into budget planning and preparation processes.
- Trained and instructed employees in job duties and company policies, and arranged for training to be provided.
- Developed and updated procedures, policies, and standards.
- Coordinated activities with other supervisory personnel, and with other work units and departments.
- Discussed work problems and grievances with union representatives.
- Made recommendations to management concerning such issues as staffing decisions and procedural changes.
- Maintained records pertaining to inventory, personnel, orders, supplies, and machine maintenance.
- Planned for and coordinated office services such as equipment and supply acquisition and organization, disposal of assets, relocation, parking, maintenance, and security services.
