Objective

Interested in a General Dentist position with a reputed Hospital/ Dental Clinic , where I can learn and enhance skills as a Dentist

Experience

ABC Dental Clinic

New York

General Dentist

3/3/2009 to Present

- ◆ Applied fluoride and sealants to teeth.
- ◆ Wrote prescriptions for antibiotics and other medications.
- ◆ Filled pulp chamber and canal with endodontic materials.
- ◆ Examined teeth, gums and related tissues, using dental instruments, x-rays, and other diagnostic equipment, to evaluate dental health, diagnose diseases and abnormalities, and plan appropriate treatments.
- ◆ Eliminated irritating margins of fillings and corrected occlusions, using dental instruments.
- ◆ Diagnosed and treated diseases, injuries, and malformations of teeth, gums and related oral structures, and provided preventive and corrective services.
- ◆ Designed, made, and fitted prosthodontic appliances such as space maintainers, bridges, and dentures, and wrote fabrication instructions and prescriptions for denturists and dental technicians.
- ◆ Used air turbine and hand instruments, dental appliances and surgical implements.
- ◆ Formulated plan of treatment for patient's teeth and mouth tissue.
- ◆ Produced and evaluated dental health educational materials.
- ◆ Planned, organized, and maintained dental health programs.
- ◆ Treated exposure of pulp by pulp capping, removal of pulp from pulp chamber, and root canal, using dental instruments.
- ◆ Managed business, employing and supervising staff and handling paperwork and insurance claims.
- ◆ Performed oral and periodontal surgery on the jaw and mouth.
- ◆ Bleached, cleaned and polished teeth to restore natural color.
- ◆ Advised and instructed patients regarding preventive dental care, the causes and treatment of dental problems, and oral health care services.
- ◆ Administered anesthetics to limit the amount of pain experienced by patients during procedures.
- ◆ Removed diseased tissue using surgical instruments.
- ◆ Analyzed and evaluated dental needs to determine changes and trends in patterns of dental disease.
